 - Travel Document Page showing the personal particulars and travel document number. Please include pages reflecting amendments to details (e.g. name, expiry date), if any(上方 B.)
 - Applicant's Educational Certificates
 - Detailed Training Programme stating the employing company name, training objective and duration of the training.(上方 F.)
 - Support Letters from educational institution stating that the training is part of the Degree/Diploma program.(上方 C.)

醫院介紹

- Johns Hopkins Singapore (JHS), operates an inpatient and outpatient oncology program for both private and public patients in collaboration with Tan Tock Seng Hospital.
- JHS specializes in advanced treatments for a wide range of adult cancers and provides medical screenings as well as health checkup services

- Established in 2000 as The Johns Hopkins Hospital's outpost in Southeast Asia, JHS strives to extend the Johns Hopkins tradition of excellence in research, education and patient care across Asia Pacific.
- In 2004, JHS became Singapore's first private hospital to be accredited by the Joint Commission International(JCI), the world leader in health care standards.
