The background of the slide is a blurred photograph of a surgeon in an operating room. The surgeon is wearing a white surgical cap, a face mask, and a white gown. They are leaning over a patient, with their hands visible near the patient's chest. The lighting is bright, typical of an operating room. The image is slightly faded to allow the text to be the primary focus.

International Visiting Medical Students

International visiting medical students that wish to take a clinical elective at any of the campuses of UAB must complete the **online application**. After completing the online application, you will be contacted by our Student Program Coordinator to schedule a Skype interview. Upon successful completion of your interview, you will be able to select your elective and pay the elective course fees. Please ensure that all application materials are uploaded into the online application. Students with incomplete applications will not be scheduled and will not participate in any courses.

Requirement

- 申請資格需要完成一年的clerkship或是醫學院最後一年
- TOEFL如慣例，電腦測驗(iBT)口說22分以上及總分100分以上。
- 申請過程中會有個與UAB國際醫學部辦公室負責人(Dr. Zayzafoon)約skype視訊的步驟；只是要確認你除了TOEFL的成績拿到之外，本人是否可用英文簡單對談；氣氛很輕鬆，不用緊張。
-

A document from your medical school administration must be uploaded stating English is the first language used. Good command of the English language will also be determined during the Skype interview.

Policies and Procedures

- The same rules and regulations that apply to University of Alabama at Birmingham students apply to international visiting medical students. Your registration and continued participation in the program is contingent upon compliant behavior and academic performance. If your behavior or performance is substandard, you may be withdrawn from the program and required to return to your originating country. **A refund will not be given to you if you have been administratively withdrawn due to substandard performance or behavior.**
- Completed applications should be received **3 months before** the start of the elective. You will be notified of acceptance or rejection in a timely manner by email. Please be sure to include the correct email address.
- No changes will be allowed in your assigned elective after your schedule is complete.
- We suggest you visit the USA on a B1/B2 visitor visa.

Application

- 申請帳號成功並登入網路報名系統後頁面會有個 check list 預防有遺漏需上傳的文件。重點是 personal statement 可以多花點心思寫，相較於履歷(curriculum vitae)和英文版的在校成績(transcript)，Dr.Zayzafoon 比較重視這一塊。Personal statement 內容就是把你想選修那些科目(如:感染科及放射科)的動機化為一份文件以文字呈現、供UAB對方參考
